### **Friday 21<sup>st</sup> May – Last Day**

We have a fairly early start to return to Belgrade for our return flights home. Do consider staying on an extra day to explore Serbia's capital. Walking tours, bus tours and boat trips can all be booked.

### **Equipment Required**

Lenses from 400mm – 600mm. Extenders may be of use, particularly with smaller lenses, e.g. 300mm. A tripod is required. Beanbags are not essential but if you want this option, then bring empty and fill up in Serbia. Beanbags are provided in low level hides. Smaller lenses are useful for wider shots and landscapes. Bag hides should not be necessary, however it is worth bringing a camouflage hood and light gloves for our 'in the field' photography.

### **Climate**

In mid-May the temperatures are likely to be in the high twenties; it can sometimes be hotter. The tower hide in particular can get above 30 degrees. We usually work in the early morning and late afternoon/evening to avoid the heat - this of course coincides with the best light, and activity.

### **Intensity**

There is very little walking involved. We will be up early in the mornings (around 5.00am) and finish our days around 9.00pm.

### **Potential Hazards**

Potential heat requires a reasonable level of fitness and endurance. At the extreme end, some hides can be over 30 degrees with high humidity - you will also need to **climb a ladder** to enter the tower hide. Please take extra care around large bodies of water. Transport to some hides can be on bumpy roads in a 4x4 vehicle.

### **Accommodation**

We stay at [Hotel Galleria](#). Rooms are luxuriously equipped and feature air-conditioning, a minibar, cable TV and a private bathroom with shower and hairdryer. The hotel comprises a business centre, conference facilities and a wellness area, as well as several luxury restaurants. Free WiFi is provided

in all rooms. All rooms are on a **single basis** unless couples choose to share – in this case a **discount** can be applied.

### **Food**

Breakfast will either be taken at our hotel, or you will be provided with a packed breakfast for use in the hides. Lunch will be in a restaurant/café. Evening meals will be at a local restaurant and are at **extra cost**. Serbian food is some of the best food in Europe.!

### **What's Included in the Cost**

All accommodation; transport to hides; breakfast and lunch, use of photo hides, English speaking guides, access to protected sites; professional airport transfers. **Additional costs: external flight; evening meals;** food on the last day (breakfast is included) and alcoholic drinks. Plus any personal extras.

### **Payment**

A deposit is paid via preferred **Bank Transfer**, Cheque or Paypal. Please contact me to pay the **balance** either by **cheque** or **bank transfer**.

### **Insurance**

You must have adequate **travel insurance** as in the **Terms & Conditions**. Please also ensure your camera equipment is insured.

### **Bad Weather**

In bad weather we can still use the hides. If photography time is reduced due to bad weather (as a last resort) we will spend more time reviewing our images.

### **Exchange Rates (as of January 2020)**

£1 GBP = 139 Serbian Dinar

\$1 USD = 106 Serbian Dinar

€1 Euro = 117 Serbian Dinar
